Dream, Believe, Achieve, Succeed

Woodbridge Park Professional Development Programme 2019-20

What will the course cover?

- An introduction into understanding where poor behaviour comes from.
- How to develop a climate of positive behaviour management linked to consistency, firm boundaries and having high expectations
- How it is important to have a consistent staged approach to managing behaviour – one which focuses on rewarding positive behaviour and dealing quickly and efficiently with poor behaviour

How will the course support professional practice?

- Staff will feel more confident in using positive behaviour management strategies that encourage positive behaviour and minimises incidences of poor behaviour.
- Staff will have a greater understanding of how to use positive language to re-frame and re-focus behaviour.
